2b	Taxable interest (incl. municipal fund — see note)	6,320.00
3a	Qualified dividends	2,600.00
3b	Ordinary dividends	3,700.00
7	Capital gain (Schedule D, broker-reported basis)	25,470.00

13	Qualified business income deduction	0.00
15	Taxable income	273,740.00

Note: I wasn't sure whether the municipal-bond fund interest (\$4,500.00) is taxable, so I added it to taxable interest. I also wasn't sure what to do about the ESPP shares I sold, the REIT (Section 199A) dividends, or my second quick stock trade. Need to confirm.

Page 2 — Tax, Other Taxes & Payments (my draft)

Line	Description	Amount
16	Tax on taxable income (my computation)	59,887.90
17	Schedule 2, line 3 (additional taxes)	0.00
22	Total tax	59,887.90

26	2025 estimated tax payments	0.00
31	Schedule 3, line 13 (other payments/credits)	0.00
33	Total payments	46,200.00
37	Amount you owe	13,687.90

This draft does NOT yet reflect: the RSU adjusted basis, the ESPP ordinary-income and basis adjustment, the municipal-interest exclusion, the excess Social Security credit, the excess 401(k) deferral add-back, the foreign tax credit, the TWO disallowed wash-sale losses, the Section 199A QBI deduction, the unrecaptured Section 1250 portion of my capital gain distribution, Additional Medicare Tax, Net Investment Income Tax, the HSA direct-contribution deduction, or any estimated-tax/underpayment-penalty (Form 2210) check against my 2024 tax. I owe much more here than I expected, which is why I want it checked.

Page 3 — Open Items / Questions for My Preparer

#	Question I need resolved	Where to look
1	Is the RSU cost basis \$31,000 or the higher adjusted figure?	Stock Plan Supplemental
2	My ESPP sale was 'disqualifying' — is some of it ordinary wages?	Stock Plan Supplemental
3	Is the municipal-bond interest taxable?	1099-INT box 8
4	Did I overpay Social Security with two employers?	Both W-2s, box 4
5	Did I over-contribute to my 401(k) across both jobs?	Both W-2s, box 12 D
6	Can I use the foreign tax on my dividends?	1099-DIV box 7
7	Both my loss trades look like wash sales — disallowed?	1099-B wash column (VXUS, ZM)
8	Do my REIT (Section 199A) dividends give a deduction?	1099-DIV box 5
9	Part of my capital gain distribution is 'unrecaptured 1250' — rate?	1099-DIV box 2a/2b
10	Do I owe Additional Medicare Tax or NIIT?	Both W-2s box 5; investment income
11	Is my direct HSA contribution deductible?	Form 5498-SA
12	Will I owe an underpayment penalty given my 2024 tax?	2024 Form 1040 + estimates

Bottom line: my draft says I owe \$13,687.90, which feels too high. Please recompute.
