## Form 1099-B — Proceeds From Broker Transactions

For lots marked 'To IRS: N' and all RSU/ESPP lots, the basis may EXCLUDE compensation income already taxed on your W-2 — see the Stock Plan Supplemental. Wash-sale losses are disallowed and shown in the Wash column.

| Lot               | Acquired   | Sold       | Term | To IRS | Proceeds  | Reported basis | Wash     |
|-------------------|------------|------------|------|--------|-----------|----------------|----------|
| 320 sh PGLB (RSU) | 02/2024    | 09/2025    | LT   | N      | 52,000.00 | 31,000.00      | 0.00     |
| 50 sh PGLB (ESPP) | 06/30/2025 | 12/05/2025 | ST   | N      | 6,750.00  | 5,000.00       | 0.00     |
| 72 sh VTI         | 03/2021    | 11/2025    | LT   | Y      | 18,000.00 | 12,500.00      | 0.00     |
| 40 sh VXUS        | 06/2025    | 07/2025    | ST   | Y      | 6,000.00  | 8,000.00       | 2,000.00 |
| 30 sh ZM          | 10/2025    | 11/2025    | ST   | Y      | 3,000.00  | 4,500.00       | 1,500.00 |

The PGLB RSU and PGLB ESPP lots show broker-reported bases that omit compensation income already in (or required to be added to) your wages; use the adjusted basis from the Stock Plan Supplemental. The VXUS lot (2,000) and the ZM lot (1,500) are wash sales: substantially identical shares were repurchased within 30 days, so both losses are disallowed and added back (total 3,500).

## Form 8949 Box Mapping (preparer aid)

Code B = basis correction (use adjusted basis on the Stock Plan Supplemental). Code W = wash-sale loss disallowed. This worksheet does not compute your gain — apply the adjustments and net the results yourself.

## Instructions & FAQ

Why is my RSU/ESPP basis low? Brokers commonly report only the cash purchase basis for equity-comp shares, omitting the compensation income. Use the adjusted basis from the Stock Plan Supplemental and report on Form 8949 with code B. For the ESPP lot the disposition is disqualifying, so part of your gain is ordinary wage income — see the supplemental. Is municipal interest taxable? No (Box 8); it is informational and excluded from net investment income. What is a wash sale? A loss on a security sold and repurchased within 30 days is disallowed; this 1099 flags two such lots.
