Statement Notes & Disclosures

Duplicate point-of-sale charges are sometimes posted by a merchant and then reversed; both the charge and the matching reversal appear and net to zero. This period includes one such Netflix charge and its reversal.

A transfer to your Fidelity brokerage account is a movement of your own funds (saving/investing), not spending; exclude it when measuring your monthly spending.

Recurring card payments to insurers and subscription services continue until cancelled. Foreign (UK) merchants may post in USD after currency conversion.

Spotify Premium	11.99	Monthly
