Disclosures

- Market values reflect closing prices on the last business day of the period and will differ from your cost basis and from realized results.
- Equity-compensation shares (RSU/ESPP) may show a cost basis that excludes the compensation income already taxed on your W-2; rely on the Stock Plan Supplemental and Consolidated 1099 for tax basis.
- Dividend and interest figures are year-to-date for the account and include amounts that may be tax-exempt (municipal) or subject to foreign tax.
- This statement is informational and is not a tax document.
