Important Disclosures

Member FDIC. This statement is provided for informational purposes. Please review it promptly and report any error or unauthorized transaction.

In Case of Errors or Questions About Your Electronic Transfers

Telephone us or write to us at the customer-service address on page 1 as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the problem or error appeared.

Information About Your Right to Dispute Errors

In case of errors or questions about your account, contact us. We will investigate and, where required, provisionally credit your account during the investigation.

How We Calculate Balances

We use the daily balance method to calculate any interest on interest-bearing accounts. This applies a periodic rate to the principal in the account each day.

Overdraft and Returned-Item Fees

Fees may apply if an item is presented against insufficient available funds. See the Fee Schedule for current amounts.

Funds Availability

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit; some deposits may be subject to a hold.

Tax reporting

Interest of \$10.00 or more is reported on Form 1099-INT. Interest paid this period was below that threshold. This bank does not provide tax advice; consult a professional regarding the tax treatment of deposits, including business payouts and personal reimbursements that pass through this account.

Deposit Composition This Cycle

For your reference, deposits this cycle by source (transfers of your own money and reimbursements are not earnings):

Rideshare platform payouts (Vanta): see 'PAYOUT' lines — these are net of the platform's fees.

Photography platform payout (Snaplii): see 'SNAPLII BOOKING PAYOUT'.

Payment-app cashouts (Venmo): see 'VENMO CASHOUT TRANSFER' — business client payments moved to checking.

Payroll (Ponce City Taproom): your W-2 wages, net of tax withholding.

Roommate reimbursement (Zelle from J. Okafor): a personal transfer, not income.

Because gross platform earnings are reduced by fees before payout, the deposits here are smaller than the gross amounts reported on your 1099-K forms.
