Initial Determination — Income-Related Monthly Adjustment Amount (IRMAA) for 2025

We are writing to tell you about your 2025 Medicare Part B and Part D premiums. Because your income is above a certain amount, you will pay an income-related monthly adjustment amount (IRMAA) in addition to your plan premium.

We used your modified adjusted gross income (MAGI) from your 2023 federal tax return - the most recent return provided to us by the IRS - to make this decision. MAGI is your adjusted gross income plus any tax-exempt interest.

Tax year used to determine your premium (MAGI)	2023
Modified adjusted gross income (MAGI) used	\$238,000.00
Filing status	Married filing jointly
Your income bracket	\$212,001 - \$266,000 (first IRMAA tier)
Standard Part B premium	\$185.00
Your Part B IRMAA surcharge (each)	\$74.00
Your total monthly Part B premium (each)	\$259.00
Your Part D IRMAA surcharge (each)	\$13.70

Income-Related Monthly Adjustment — Married filing jointly (based on 2023 MAGI)

MAGI range	Part B total (each)	Part B surcharge	Part D surcharge
\$0 - \$212,000	\$185.00	\$0.00	\$0.00
\$212,001 - \$266,000	\$259.00	\$74.00	\$13.70
\$266,001 - \$334,000	\$370.00	\$185.00	\$35.30
\$334,001 - \$400,000	\$480.90	\$295.90	\$57.00
\$400,001 - \$750,000	\$591.90	\$406.90	\$78.60
\$750,001 and above	\$628.90	\$443.90	\$85.80

- Your premium for 2025 is based on your 2023 income (a two-year lookback).
- If your income has decreased since 2023, your premium may go down in a future year automatically once a more recent return is on file.
- You may request a new determination if you had a life-changing event (e.g., retirement).
