Parent Handbook — Key Policies

Hours of operation. The Center is open Monday through Friday, 6:30 a.m. to 6:15 p.m., except for posted holidays and professional-development days. A late-pickup fee applies after closing.

Payment policy. Tuition is due monthly in advance, on or before the 3rd, typically by automatic bank transfer. A late fee applies to balances unpaid after the 7th. Returned payments incur a fee. Tuition reserves your child's space and is charged regardless of absences, holidays, or closures.

Enrollment and withdrawal. Enrollment requires a completed registration, a deposit, and current health records. A two-week written notice is required to withdraw or change a schedule; tuition applies through the notice period.

Health and immunization. Children must have immunizations as required by New Jersey, with records on file. Children who are ill (fever, contagious illness) must remain home until they meet our return-to-care guidelines. Medication is administered only with written authorization.

Drop-off and pickup. Children are released only to authorized adults listed on the account, who must present identification on request. Please notify us in advance of any changes to authorized pickup persons.

Meals and nutrition. We provide a morning snack, lunch, and an afternoon snack that meet applicable nutrition guidelines. Please inform us of any food allergies or dietary restrictions in writing.

Curriculum and assessment. Our play-based curriculum supports social, emotional, cognitive, and physical development. We share periodic developmental updates and hold parent-teacher conferences twice a year.

Guidance and behavior. We use positive guidance to help children develop self-control and social skills. We do not use physical or harsh discipline. Persistent challenges are addressed in partnership with families.

Safety and security. Doors remain secured during the day, and visitors must sign in. We conduct regular fire and emergency drills and maintain staff trained in pediatric first aid and CPR.

Inclement weather and closures. We generally follow local emergency closures. Closure notices are sent by email and posted at the entrance. Tuition is not reduced for weather closures.

Confidentiality. Children's records are confidential and released only to authorized persons or as required by law. We comply with applicable privacy requirements for child-care providers.

Parent Handbook — Health, Safety, and Program Policies (Continued)

Illness exclusion. Please keep your child home if they have a fever of 100.4F or higher, vomiting or diarrhea, an undiagnosed rash, or a contagious condition. Children may return when fever-free for 24 hours without medication and able to participate in activities. We will call you to pick up a child who becomes ill during the day.

Medication administration. Prescription and over-the-counter medication is given only with a completed, signed authorization and in the original labeled container. Staff trained in medication administration log each dose. Please provide written instructions and dosage.

Allergy management. Inform us in writing of any allergies. We maintain individualized care plans for children with documented allergies, post allergy information in classrooms confidentially, and train staff on emergency response, including the use of prescribed epinephrine auto-injectors where authorized.

Nap and rest. Children in full-day care have a supervised rest period after lunch. Infants are placed to sleep on their backs in cribs in accordance with safe-sleep guidelines. Older preschoolers who do not sleep are offered quiet

activities.

Toilet learning. We partner with families on toilet learning at the child's pace. Please provide extra clothing. Diapering and toileting are handled with attention to hygiene and dignity.

Outdoor play and weather. Children go outside daily when weather permits; please dress your child for the weather. We use indoor gross-motor space during extreme heat, cold, or poor air quality.

Discipline and guidance (detail). We set clear, age-appropriate expectations and use redirection, natural consequences, and positive reinforcement. Corporal punishment, humiliation, and withholding food are prohibited. Persistent concerns are addressed collaboratively with families and, when helpful, specialists.

Biting policy. Biting can occur among young children. We respond by attending to the child who was bitten, calmly addressing the behavior, and working with families on prevention. We maintain confidentiality of the children involved.

Screen time and technology. Screen use is minimal and purposeful for preschoolers and is not used during meals or rest. Any media is age-appropriate and supports learning goals.

Celebrations and food from home. We celebrate birthdays simply and inclusively. Due to allergy safety, please coordinate any shared food with staff in advance; store-prepared, labeled items are preferred.

Field trips and walking excursions. Occasional neighborhood walks and field trips require a signed permission form. Appropriate ratios, emergency information, and first-aid supplies accompany all excursions.

Clothing and supplies. Please send a labeled change of clothes, weather-appropriate outerwear, and any required supplies. Label all personal items. The Center is not responsible for lost personal belongings.

Communication with families. We share daily notes for younger children, periodic developmental updates, and conference opportunities. Please keep your contact information current and check email for announcements.

Emergency procedures. We conduct regular fire and lockdown drills and maintain written emergency and evacuation plans. In an emergency requiring evacuation, children are taken to a designated safe location and families are notified.

Mandated reporting. Our staff are mandated reporters and are required by law to report suspected child abuse or neglect to the appropriate New Jersey authorities.

Nondiscrimination. We admit children and employ staff without discrimination on the basis of race, color, national origin, religion, sex, disability, or any other characteristic protected by law.

Grievance procedure. If you have a concern, please speak with your child's teacher or the Director. We aim to resolve concerns promptly and respectfully and welcome family feedback.

Water activities. Any water play is closely supervised. We do not offer swimming. Sunscreen is applied with written authorization during warm-weather outdoor play.

Transportation. Little Sprouts does not provide daily transportation. For summer-camp excursions using contracted transportation, licensed and insured carriers are used and additional permission is obtained.

Confidentiality and records. Children's files are kept secure and confidential and are shared only with authorized individuals or as required by law. Families may review their own child's records by appointment.

Curriculum Framework by Developmental Domain

Domain	Focus	Sample activities
Social-emotional	Self-regulation, relationships, confidence	Circle time, cooperative play, feelings check-ins
Language & literacy	Vocabulary, phonological awareness, print	Read-alouds, storytelling, name writing
Mathematics	Counting, patterns, shapes, measurement	Sorting, building, calendar, cooking projects
Science & discovery	Observation, cause and effect	Nature walks, sensory bins, simple experiments
Physical & motor	Gross and fine motor coordination	Outdoor play, climbing, cutting, drawing
Creative arts	Expression through art and music	Painting, dramatic play, songs, movement

Our play-based, developmentally appropriate curriculum is organized around these domains. Teachers plan activities to each child's interests and developmental stage and document progress through observation and work samples shared with families.

Staff Qualifications and Ratios

Our teachers meet New Jersey qualifications for their roles, participate in ongoing professional development, and are trained in pediatric first aid and CPR. We maintain staff-to-child ratios and group sizes that meet or exceed New Jersey licensing requirements for each age group.

Age group	Maximum ratio (staff:children)	Typical group size
Infant (under 18 mo)	1:4	8
Toddler (18–30 mo)	1:6	12

Age group	Maximum ratio (staff:children)	Typical group size
2.5–3 years	1:10	20
Preschool (3–4 yr)	1:10	20
Pre-K (4–5 yr)	1:12	24
School-age (5–12 yr)	1:15	30

Ratios reflect licensing maximums; actual classroom ratios are often more favorable.

Licensing, Accreditation, and Inspections

Little Sprouts Early Learning Center is licensed by the New Jersey Department of Children and Families, Office of Licensing (License #NJ-ELC-22815). A copy of our current license and most recent inspection report is posted in the lobby and available to families on request.

We participate in the state's quality-improvement initiatives and pursue ongoing program improvement. Our policies are designed to meet the Manual of Requirements for Child Care Centers. Families may contact the Office of Licensing with licensing questions or concerns.

Family Engagement and Resources

We welcome family involvement through conferences, volunteer opportunities, and family events. We can connect families with community resources, including child-development screenings, early-intervention services, and parenting supports.

If your family's circumstances change, talk with the Director about scheduling, payment arrangements, or available assistance. We aim to support continuity of care for the children we serve.

Financial Assistance and Subsidy Programs

Some families may qualify for child-care assistance through New Jersey's child-care subsidy program or other resources, which can help cover part of tuition based on income and work or school activity. We accept eligible subsidies and can provide documentation to support your application.

We provide year-end statements and itemized receipts for your records upon request. For questions about assistance programs, contact the office or the director.

Inclusion, Consent, and Visitor Policies

Inclusion and special needs. We welcome children of all abilities and partner with families and specialists to provide reasonable accommodations and to coordinate with early-intervention or school services where applicable.

Photography and media consent. We may photograph children for classroom documentation and, with separate written consent, for newsletters or social media. You may decline media use at any time in writing.

Visitor and volunteer policy. Visitors sign in and are escorted; volunteers who have regular contact with children complete required background checks. The safety and privacy of the children are our priority.

Open-door policy. Families are welcome to visit their child during the day. Please check in at the office so we can support a smooth transition for your child and the classroom.

Withdrawal and disenrollment. Either the family or the Center may end enrollment with written notice. We work with families to address concerns before disenrollment and provide referrals where helpful.

What to Bring Checklist

For your child's comfort and safety, please send (all labeled): a weather-appropriate change of clothes; for younger children, diapers/wipes as needed; a small blanket for rest; weather-appropriate outerwear; and any authorized medication with completed forms. Please leave toys and valuables at home except on designated sharing days.

Additional Frequently Asked Questions

Q. Do you prorate tuition for absences or vacations?

No. Tuition reserves your child's space and is charged monthly regardless of absences, holidays, or family vacations.

Q. What is your sick-child policy in brief?

Children with fever, vomiting, diarrhea, or contagious conditions stay home and may return when they meet our return-to-care guidelines.

Q. How do you handle allergies?

With written documentation we maintain individualized care plans, train staff, and manage classroom exposure confidentially.

Q. Can I get receipts more often than annually?

Yes. We can provide monthly or itemized receipts on request in addition to this year-end statement.

Q. Who do I contact about billing questions?

Email billing@littlesprouts.example or call the office; we are glad to review your account and reissue statements as needed.

Our Program Philosophy

At Little Sprouts, we believe young children learn best through play, exploration, and warm relationships with caring adults. Our classrooms are designed to invite curiosity, build independence, and support each child's social, emotional, cognitive, and physical growth. We partner closely with families, who are a child's first and most important teachers, to provide consistent, nurturing care.

We honor the diversity of the families we serve and strive to create an inclusive environment where every child feels a sense of belonging. Our teachers observe and document each child's development, plan responsively, and celebrate milestones alongside families.

Thank you for trusting us with your children this year. We are grateful to be part of Kofi's and Zara's early years and look forward to continuing to support your family.

Quality Standards and Continuous Improvement

We align our practices with recognized early-childhood quality standards, including developmentally appropriate practice, positive guidance, family engagement, and ongoing staff development. We conduct regular self-assessments and act on family feedback to improve our program.

Quality area	What we do
Safe, healthy environment	Daily safety checks, sanitation routines, secure access
Qualified, supported staff	Required qualifications, training, low turnover
Responsive curriculum	Play-based, individualized, observation-driven
Strong family partnerships	Conferences, daily communication, resource referrals
Inclusive practice	Accommodations and collaboration with specialists

Developmental Milestones Reference

Age	Social-emotional	Language	Motor / cognitive
3 years	Plays with others, shows affection	Speaks in short sentences	Builds towers, sorts by color/shape
4 years	Cooperates, enjoys pretend play	Tells stories, asks many questions	Hops, draws shapes, counts to 10

Age	Social-emotional	Language	Motor / cognitive
5 years	Follows rules, shows independence	Speaks clearly in full sentences	Writes some letters, copies shapes
6–7 years	Forms friendships, manages feelings	Reads simple text, explains ideas	Rides a bike, basic addition

Milestones are general guides; children develop at their own pace. We share individualized observations during conferences and refer families to screening resources when helpful.

Transitions Between Classrooms

As children grow, they move to the next classroom based on age, developmental readiness, and space. We prepare children and families for transitions with visits to the new room, introductions to new teachers, and gradual adjustment. We share information with the receiving teacher to support continuity of care.

Summer Camp Program (School-Age)

Our 8-week summer camp for school-age children, including Zara, offers a mix of enrichment, outdoor play, weekly themes, and supervised excursions. Camp runs full days during the summer; weekly tuition applies and is reflected in the summer months of your statement. Permission forms are required for any off-site activities, and appropriate ratios and safety procedures accompany all outings.

Week	Theme	Highlight
1	Around the World	Cultural arts and foods
2	Science Explorers	Hands-on experiments
3	Sports & Games	Team activities
4	Art Studio	Painting and sculpture
5	Nature & Gardening	Outdoor discovery
6	Music & Movement	Singing and dance
7	Builders & Makers	Construction challenges
8	Camp Celebration	Showcase for families
