Explanation of Benefits — Coverage Summary (2025)

Summary of how the patient's coverage applied to 2025 services. This is not a bill.

Coverage	Role	Approx. paid (2025)	Notes
Medicare Part A	Hospital / home health	\$2,538.12	After Part A deductible
Medicare Part B	Medical / outpatient	\$7,050.32	80% after Part B deductible
Coronado Mutual Plan G	Supplemental (Medigap)	\$3,384.16	Covers most Part A/B cost-sharing except Part B deductible
Sandia Senior Rx (Part D)	Prescription drugs	\$1,128.05	Subject to formulary and cost-sharing
Patient out-of-pocket	Deductibles, dental, non-covered	\$9,600.00	Dental and certain items not covered by Medicare

Original Medicare does not cover most routine dental, vision, or hearing services; those amounts are part of the patient's out-of-pocket responsibility. The Part B annual deductible and certain Part D cost-sharing also contribute to out-of-pocket costs.

Medicare deductible & cost-sharing tracker (2025)

Item	Annual amount / limit	Applied in 2025	Notes
Medicare Part A inpatient deductible	\$1,676 per benefit period	\$0.00	No inpatient stay in 2025

Item	Annual amount / limit	Applied in 2025	Notes
Medicare Part B annual deductible	\$257.00	\$257.00	Met early in the year
Part B coinsurance (20%)	No annual cap	Covered by Plan G	Supplemental plan pays the 20%
Part D prescription cost-sharing	Varies by tier	See pharmacy charges	Subject to formulary
Dental / vision / hearing	Not covered by Medicare	Out-of-pocket	Senior Dental Associates charges

The supplemental (Medigap) Plan G pays most Part A and Part B cost-sharing after the Part B deductible, so the largest out-of-pocket amounts are the Part B deductible and services Medicare does not cover, such as dental.

Billing Policies, Patient Rights & Disclosures

How to read this statement

'Charge' is the provider's billed amount. 'Adjustment' is the contractual write-off based on Medicare-allowed amounts. 'Insurance' is the amount paid by Medicare and your supplemental and Part D plans. 'Patient responsibility' is the remaining amount you owe after insurance, including deductibles, coinsurance, and non-covered services.

Payment options

You may pay online, by phone, by mail, or in person. We accept checks, money orders, and major credit/debit cards. Authorized family members may make payments on the patient's behalf; payments are applied to the oldest balance unless otherwise directed.

Financial assistance

Patients who are unable to pay may qualify for financial assistance or a no-interest payment plan. Contact the billing office to request an application. Assistance is based on household income and family size; supporting documentation may be required.

Itemized statement and medical records

You have the right to request a fully itemized statement and copies of your medical records. Requests for records are handled in accordance with HIPAA and applicable state law; a reasonable fee may apply for copies.

Insurance and coordination of benefits

We bill Medicare and your supplemental and Part D plans as a courtesy. If a claim is denied or processed incorrectly, contact the plan; you may appeal a denial. Keep your Medicare Summary Notices and plan Explanations of Benefits with your records.

Balance billing and surprise billing protections

For certain emergency services and certain services at in-network facilities, you are protected from balance billing under applicable federal and state law. You are only responsible for your in-network cost-sharing amount for those services.

Privacy (HIPAA)

Your protected health information is used and disclosed only as permitted by the Notice of Privacy Practices, including for treatment, payment, and health-care operations. You may request a copy of the Notice and an accounting of certain disclosures.

Tax recordkeeping

Amounts you paid out-of-pocket for medical and dental care may be relevant for tax purposes. Medical expenses are generally deductible only as an itemized deduction to the extent they exceed a percentage of adjusted gross income; whether they provide a tax benefit depends on your return. This statement is provided for your records and is not tax advice.
