Notice to Employee

Refund. Even if you do not have to file a tax return, you should file to get a refund if Box 2 shows an amount or if you are eligible for any credit.

Earned income credit (EIC). You may be able to take the EIC for 2025 if your adjusted gross income is below the applicable limit and you meet the other requirements. Any EIC that is more than your tax liability is refunded to you, but only if you file a tax return.

Corrections. If your name, SSN, or any dollar amount is incorrect, notify your employer. If your name and SSN are correct but are not the same as shown on your social security card, contact the Social Security Administration.

Cost of employer-sponsored health coverage. If applicable, the reportable cost would be shown in Box 12 with Code DD and is for informational purposes only; it is not taxable.
