Account Services & Overdraft Options

Your Premier Checking account includes online and mobile banking, bill pay, and unlimited electronic transactions. Standard overdraft practices apply unless you have elected an overdraft protection plan that links this account to your savings.

Overdraft protection transfers move available funds from a linked account to cover items that would otherwise overdraw your checking account. Fees, if any, are disclosed in your account agreement. You may opt in or out of certain overdraft services at any time.

Daily ATM and point-of-sale limits apply to your debit card for security. Contact customer service to review or adjust your limits.

Electronic Fund Transfers — Your Rights

In case of errors or questions about your electronic transfers, contact us as soon as you can if you think your statement is wrong or you need more information about a transfer on the statement. We must hear from you no later than 60 days after we sent the first statement on which the problem appeared.

Tell us your name and account number, describe the error or transfer you are unsure about, and explain why you believe it is an error or why you need more information, including the dollar amount of the suspected error.

We will investigate your complaint and correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error so that you have use of the money during the investigation.
